

**FRIENDS OF THE ARTS IN THE BAHAMAS (FAB), Inc. & FRIENDS OF THE NAGB
COVID-19 SUPPORT FUND FOR VISUAL ARTISTS**

In this time of economic hardship, the NAGB and its non-profit partners, the local Friends of the NAGB and the international Friends of the Arts in the Bahamas (FAB, Inc), recognise the difficulty being faced by artists in the community, with loss of work and/or commercial exhibitions. As such, the NAGB, FAB Inc. and Friends of the NAGB have committed to funding a one-time emergency grant for visual artists (fine art categories listed below) facing dire financial strain due to COVID-19.

We are currently seeking contributions to the fund and have established the following ways to send support:
